

# Uniform

- Clean and tidy class uniforms are mandatory after a student's first half-term of attendance. The uniform and good grooming is part of the School's discipline and forms an essential part of preparation for class. This includes the wearing of appropriate non-hole footwear. If the student is wearing inappropriate clothing or footwear the student may not be permitted to participate in the class.
- Students should not wear any items of jewellery, including watches. Any items which the teacher feels may cause injury or is inappropriate for the class must be removed. Please inform the Principal if items are worn for religious or other specific reasons.
- Uniform can be purchased from Belle Etoile Academy of Dance. You may also purchase items independently such as ballet shoes, socks and tights. However, leotards must be the exact same as we supply as they are specific to our examination board ABD.

## Hair

- All students, with the exception of baby ballet classes, should wear their hair neatly tied back off their face. This is an essential part of preparation for class.
- Baby ballet classes (9am Melody Bear Ballet & Tap) may have their hair down, but if long enough it should be clipped back or tied up to prevent it going in their eyes when dancing.
- Children in First Ballet, Primary and Grade 1 Ballet must wear their hair in a classical ballet bun or similar ballet style.
